

## St Mary's Catholic Primary School Wraparound Care

St Mary's offers children from Nursery to Year 6 a safe, welcoming start and relaxing end to the school day with our morning and afternoon sessions.

Our morning session begins at 7.45am when your child is met and registered at the school gate by a member of staff.

A nutritious breakfast is offered, comprising of a choice of healthy cereals, toast with a variety of toppings, a choice of diluted fruit juices, water and milk.

Sessions run from 7.45 - 8.45am (Monday - Friday) and cost £2.50 per day, £12.50 per week.

Afternoon sessions run from 3.30 - 5.30pm (Monday - Friday) and cost £6.00 per day, £30 per week. Your child will go to the hall-base at the end of the school day and be registered by a member of staff.

A nutritious snack will be served, comprising of a choice of healthy sandwich fillings, a piece of fruit or a yoghurt, and diluted juice or water.

Children are not permitted to bring their own food to any of the sessions as we have a number of children with allergies. Where possible we will provide for additional dietary needs.

There are 30 places available daily for both sessions and we strongly recommend you pre-book and pay for your child's place as they are allocated on a first come, first served basis. Payment is essential at the time of booking to secure your child's place. If you need to cancel a morning booking you must notify us by 3.30pm the day before your booking and 12pm on the day of an afternoon booking, to be able to receive a refund.

A booking form is available from the school office and we ask that you complete a medical form, which will be held by the Wraparound Care supervisors.

Wraparound Care is supervised by Mrs Bowditch and Mrs Allcorn and staffed by Mrs Maybourne and Miss East.
