## Pupil Premium Policy

### 1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible;
- Set out how the school will make decisions on pupil premium spending;
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school.

### 2. Legislation and Guidance

This policy is based on the [pupil premium conditions of grant guidance \(2018-19\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#). In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

### 3. Purpose of the Grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces. The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers. We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

### 4. Use of the Grant

Decisions on how the Pupil Premium Grant is used within the school are made based on the following:

- We consider the context of the school and our pupils and the main challenges and barriers to learning our pupils face;
- We use evidence to inform our decisions on pupil premium spending – for example, by using evidence-based research and resources from the [Education Endowment Foundation](#), and learning from what works in our school;

- We address a wide range of needs, and take group and individual needs into account;
- We engage with parents to take their views on the needs of their children into account;
- We react to emergency or unexpected situations to provide support if needed;
- We consult closely with Early Help and social care services to identify needs and source provision.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support or interventions;
- Providing help with uniform and school clothing;
- Providing Breakfast and After School Club support;
- Employing external professionals to run clubs or support sessions;
- Providing extra tuition where needed, for example, ahead of SATs;
- Funding for transition groups;
- Funding cultural events;
- Funding educational trips and visits or in-school events;
- Providing equipment;
- Funding additional clubs and support for emotional well-being;
- Funding for in-school counselling and emotional well-being support;
- Training for staff to support disadvantaged children and to help raise attainment.

We publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's requirements on what maintained schools must publish online. school meals in the most recent January census. It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

## **5.2 Looked After Children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

## **5.3 Post-Looked After Children**

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

## **5.4 Ever 6 Service Children**

Pupils:

- With a parent serving in the regular armed forces;
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census;
