

Our Eco council includes children from KS1 and KS2. Our councillors take great pride in working towards making our school a greener place.

“We are involved in lots of projects such as: litter picking, air quality monitoring, monitoring energy usage and helping with recycling.”

Green School Subject Vision

“It seems to me that the natural world is the greatest source of excitement; the greatest source of visual beauty; the greatest source of intellectual interest. It is the greatest source of so much in life that makes life worth living”

David Attenborough

We are encouraging adults and children to walk, scoot or ride to school as much as possible. We have two air monitoring tubes placed at our school: one near the main school gate and one in Forest School. We send off the air monitoring tube to a laboratory to find out the levels of NOx in our immediate environment.

“God took the man and put him in the Garden of Eden to work it and take care of it.”

Genesis 2:15

We aim to create a Vegetable Garden where we can plant, grow and care for vegetables and plants. When our growing is successful we can share our produce with the school kitchen!

Eco-schools links to the National Curriculum

Key Stage	Subject	Topic	Eco-Schools
1	Science	Plants	School grounds, Biodiversity
		Animals, including humans	Biodiversity, Healthy living
		Everyday materials	Waste
		Living things and their habitats	Biodiversity
	Art	Use a range of materials creatively	Waste
	Design and Technology	Cooking and nutrition	School grounds, Biodiversity, Global perspective
	Geography	Place knowledge	Global perspective
Geographical skills and fieldwork		School grounds	
PE		Healthy living	
2	Science	Plants	School grounds, Biodiversity
		Animals, including humans	Healthy living
		Living things and their habitats	Biodiversity, Litter, Global perspective
		States of matter	Water
		Electricity	Energy
	Design and Technology	Cooking and nutrition	School grounds, Biodiversity, Global perspective
	Geography	Human and physical geography	Water, Energy, Waste
	PE		Healthy living

“The climate is a common good, belonging to all and meant for all.”

Pope Francis

We love to walk, scoot or ride to school! We enjoy participating in Walk on Wednesdays and love being in competition with other classes and other schools!
