

## Hello St Mary's Catholic Primary School

The PTA would like to welcome your family back to St Mary's Catholic Primary School. The PTA strives to help make the school year as fun, educational and productive as possible. We started the New Year with great energy, amazing ideas and had many events planned for all the students to enjoy. However, this year hasn't turned out quite how we all would have imagined.

We are all in very uncertain times and we hope everyone is keeping safe and well.

With that being said, we are trying to be very creative and work hard to bring some little events that all the children can be a part of, and of course in a safe way.

## School Contributions

Our **TREAT DAY THURSDAY** will be back! This event is not only for the children's enjoyment, it also raises vital funds for the school.

**We would like to remind our families what Treat Day Thursday is all about:**

1. One Thursday every month we set a fun theme: tag day, crazy hair day etc.
2. You donate £1 to enter (**THIS YEAR IT WILL BE REDUCED TO 50p**)
3. All the profits made will go straight back to the children, funding school trips, equipment or fun events like 'The Space Astronomy Roadshow' that visited the school, in the last school year.

In just two Thursdays you raised an amazing **£524.67!**

**This year will be a little different, and we will be making sure all the themes are COVID safe.**

**Any ideas are welcome please message our facebook page or email [heala062@stmarysrcp.medway.sch.uk](mailto:heala062@stmarysrcp.medway.sch.uk)**

*In loving memory*

On Monday 13th July 2020 Andrea sadly lost her battle with cancer. She was a very valued member of the PTA and will be greatly missed. Our thoughts are with the family during this difficult time.

“

Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near, so loved, so missed, so very dear.
