

English

We will use a range of books including 'Lila and the Secret of the Rain' which will inspire our story writing. We will use the story of Oliver's vegetables to write our own poem and Dear Greenpeace to write information texts about animals.

Mathematics

We will solve problems involving multiplication and division and be introduced to tally charts and pictograms. We will explore fractions and find and recognise a half, a quarter and a third. We will measure, compare and order lengths in cm and m.

Science

We will observe and describe how seeds and bulbs grow into mature plants and describe how plants need water, light and a suitable temperature to grow and stay healthy. We will observe how different plants grow in our local environment.

Religious Education

In our unit Good News we will learn about the Holy Family, that Jesus worked miracles to feed the 5000 and to cure a paralysed man. We will also learn about parts of the Mass and that it is Jesus we receive in Holy Communion.

Year 2 Spring Term Roots, Shoots and Juicy Fruits

PE

We will work on developing a range of ball skills and then we will work on learning how to send and receive a ball in a variety of ways.

Art & Design/ Design & Technology

We will develop our drawing skills to produce a still life of some fruits and vegetables, based on the work of Arcimboldo
We will design and prepare a healthy snack.

History/ Geography

We will understand geographical similarities and differences through studying the human and physical geography of a small area in Nigeria and compare this to our local area.

Computing

We will learn how to convert algorithms to programs and debug any errors. We are game testers. The children will describe what happens in computer games.

Music

We will develop an understanding of pitch and interpret pitch line notation using voices and tuned instruments. We will move and play to a steady beat and interpret a storyboard with sound effects.

Experiences

A theatre production company will visit our school.
