

English

We will enjoy a selection of different class readers. Our writing will be inspired by books such as Marcy and the Riddle of the Sphinx and Zeraffa Giraffa. In reading lessons, we will be exploring The Mystery of the Egyptian Scroll.

Maths

We will continue to learn about fractions and be able to order and compare them. We will continue to improve our knowledge of telling the time. In geometry, we will learn about angles and further describe 2D and 3D shapes. We will also explore mass and capacity.

Science

We will explore simple pushes and pulls and investigate how different magnets work. We will learn what it means to plan a fair test. We will learn how shadows are formed and look for patterns in how they change.

RE

We will learn what happened on the road to Emmaus and at Pentecost. We will understand what being a Christian involves, how St Paul had to learn to be a Christian and how people use their gifts to help others.

Year 3 Summer Term Ancient Egypt

History/ Geography

We will learn where and when the first civilizations appeared and will study the achievements of the ancient Egyptians. We will learn about the human and physical geography of its location including the Nile.

Art & Design and Design & Technology

We will create our own Pharaoh artwork combining different images created using different media.

We will make our own shaduf and analyse how effective they are as irrigation tools.

French

We will consolidate our understanding of the months of the year and learn how to say and write different colours.

Computing

We will continue to learn how to stay safe online. We will understand how to open and respond to emails. We will also explore what an attachment is and how we can add an attachment.

Music

We will continue with our drumming lessons. In drumming, we will learn how to play with increasing confidence and control. We will also learn how to listen with attention to detail and recall sounds.

PE

During the first term, we will be learning new skills in rounders. In preparation for Sports Day, we will practise athletics skills such as throwing accurately and running at different speeds.

Experiences

We will be exploring artefacts to understand more about the ancient Egyptians. We will learn the entertainment that they would have had for a Pharaoh. We will also discuss the jewellery that they had.
