

### **English**

Our class readers for this term will be 'The Nothing to See Here Hotel' and 'The Twits'. We will produce an information leaflet based on selling our own potion. In reading lessons we will read texts linked to our science learning and read about some significant women.

### **Mathematics**

We will continue to learn about multiplication and division and apply our knowledge of the four operations when working with money, length and perimeter. We will explore different ways of representing data. We will learn about tenths, and find fractions of an amount.

### **Science**

We will identify and describe the functions of different parts of flowering plants. We will explore what plants need for life and growth and will learn about the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.

### **Religious Education**

We will learn that Jesus asks us to turn away from sin and about the Sacrament of Reconciliation. We will increase our knowledge about the parts of Mass including the importance of the Readings.

## **Year 3 Spring Term UK: Rivers, Mountains and Coasts**

### **History/ Geography**

We will name and locate counties and cities in the UK. We will learn about human and physical characteristics of geographical regions and land use patterns.

### **Art & Design and Design & Technology**

We will explore printmaking using mono-printing and relief printing. We will make a sandwich using appropriate D&T skills.

### **French**

We will learn how to say what we can do well and some phrases for praise. We will learn the months of the year so that we can say when our birthday is.

### **Computing**

We will create our own spreadsheets and understand how these programs can automatically create graphs from data. We will learn about online safety.

### **Music**

We will continue with our drumming lessons. Also, we will be practising singing songs for The Passion Play.

### **PE**

We will take part in a range of daily exercises. We will start our gymnastics module focusing on balance, sequence and co-ordination.

### **Experiences**

A theatre production company will visit our school and we will participate in The Passion Play performance.
